Group Travel Guide

www.visitsalisbury.co.uk | Coaches@salisburybid.co.uk

Salisbury is a beautiful, historic city dating back to the Middle Ages, with buckets of charm, great activities and surrounded by picturesque countryside. It boasts the UK's tallest spire, the oldest working clock and the most well preserved of the four surviving original Magna Carta documents. Salisbury is also the perfect base from which to explore the rich archaeological landscape surrounding the city, including the world famous Stonehenge.

History, archaeology and architecture are not Salisbury's only attractions; it is an extremely vibrant city with a very active arts scene. Salisbury Playhouse is one of the most well regarded production theatres in the country, while the Salisbury Arts Centre, Salisbury International Arts Festival, Salisbury Food Festival and Salisbury Arts Trail put on fantastic arts and cultural events throughout the year.

Salisbury has a strong tradition of supporting independent businesses and with over 230 independent shops, cafes and restaurants in the city centre, visitors will find a completely unique shopping experience during their visit.
